

## **January IFA All-Family Meeting**

**Jan 13, 2021**

**Held via Zoom**

### **Welcome and Updates**

Martha welcomed everyone--introduced the IFA Board

Welcome and thank you to our instructors for joining

### **Recap of recent IFA activities:**

1. Q&A with Head of School--last all IFA family meeting was a conversation with Debbiy around distance learning and the metrics the school is using around returning to school
2. Winterfest--in December we welcomed families to school and Edgewood field for Winterfest. It was great to welcome kids to play at the school and everyone enjoyed the following movie night. Thanks to the organizers for their work.
3. Holiday gift drive--thanks to the school community for all the generous donations for the holiday gift drive. We were able to give over 90 staff members very generous gift cards. Many thanks from the staff and IFA board

### **Upcoming activities:**

1. Chili cookoff--one of ITDS' favorite activities. We are coming up with a virtual plan for this event on Feb 6.
2. Looking to mobilize volunteers for spring fundraising. If anyone is interested, let Martha know, there will be a meeting coming soon.
3. March 3--next IFA all family meeting. Hoping to have that meeting with the school to talk about instruction and how families can continue to support students at home

### **Breakout sessions:**

Participants joined self-care session
